

Music 295A – E-Portfolio Assignment

Home/Welcome

Your home page is an introduction to who you are and a welcome to visitors to your site. This page should include the following:

- A new and appropriate banner image (if using PSU Blog tool)
- A statement of welcome and a brief introduction to who you are as a Penn State School of Music student
- Links to the Penn State home page and the School of Music home page
- At least one additional self image appropriate to you as a musician and future teacher

Teaching

The Teaching page will introduce your visitors to the teaching that you have completed in Music 295A this semester.

This page must include the following:

- A brief written description of the selected peer-teaching example selected for presentation on your site.
- One lesson/teaching cycle from Music 295A
 - One task analysis*
 - One short video clip of your teaching a portion of this task analysis
 - The self-reflection of this teaching segment (musical or communication)

* The task analysis must include a form of *highlight* to indicate the portion of the video you are presenting.

- Bennett Center Case Study
 - You are to include your completed Bennett Center Case Study. Please remember that you must use a pseudonym and not your child's real name.

Musicianship

The Musicianship page will introduce your visitors to you as a musician.

This page must include the following:

- A short audio or video clip of you performing solo on your instrument/voice. This may include a section of your jury performance or a portion of a performance from a recital or Common Hour.
 - You must also include a short written description/introduction to the evidence you present.
- At least one form of evidence (image, audio, or video) from an ensemble in which you participate, such as a concert program, an audio or video clip from an ensemble's concert performance, or photographs of the ensemble in performance.
 - You must also include a short written description/introduction to the evidence you present.
- Listing of some studio repertoire
